### Stallholders Competition

To add to the fun of the Fair we encourage all stallholders to decorate their stalls following a country theme. As an incentive we're holding a scarecrow making competition for stallholders and encourage you to participate. There will be cash prizes. Scarecrows can be of any size, must be **constructed from recycled materials** and should be on **display at your stall**. There is no fee to enter this competition and entry will be on the day. Here are a few ideas to start the creative juices flowing. We had wonderful entries at the 2018 Fair and look forward to those in 2019.
